## LESS DOING, MORE UNDOING

Most pilgrimages offer you more and more doing. We offer you “undoing” – less noise, less pressure, less activity, less distraction – so you are prepared for miracles in this special, mystical place: remove stubborn blocks; finally break free; receive prophetic prayer, teaching, and activation; soak in healing love and serenity; experience soul-deep power and peace. Strongly Marian and nourished in Catholic faith and practice, our pilgrimage is designed to facilitate healing for your heart, soul, mind, and strength within Our Lady's mantle (Matt 22:37-40).

## **Praying at the Statue of the Risen Christ**

The bronze statue of the Risen Christ located on the grounds of St. James Church miraculously seeps droplets of water out of the right knee of Jesus. Many miracles have been received from the water released from this statue. You will have the opportunity to venerate this statue and enjoy the opportunity to pray at this peaceful site.

## **Climbing Apparition Hill**

This mountainous hill is where the visionaries first encountered Our Lady. At the base of the hill is a blue cross, where it is said that Our Lady appeared to the children while they hid from the communist police in the early days of the apparitions. While climbing, Mike and Sonja will lead a rosary incorporating Our Lady's messages, sacred Scripture, and inspiring testimony. Our Lady's presence will lift burdens, and heal and transform your heart. At the top of the hill is the exact location of the first apparition of Our Lady - enjoy private time for prayer in this holy place.

## **Mt. Krizevac (Cross Mountain)**

In 1933, the villagers built a 30-foot-high cross on top of the mountain to honor 19 centuries since Jesus's Passion and death on the cross. Our Lady told the children that this cross was part of God's plan for Medjugorje and her apparitions. The presence of God and Our Lady are palpable on this mountain. Pilgrims are transformed by life-changing encounters with Jesus's suffering, death, and Resurrection. Climbing Cross Mountain draws you out of yourself and into the powerfully loving presence of God. Prepare to have the eyes of your heart opened, shoulders unburdened, and wounds kissed. Mike and Sonja will lead the Stations of the Cross and provide reflections as we silently ascend this holy mountain to venerate the cross. At the top, enjoy extended time for individual prayer and reflection.

# Activities

## **Blessed Sacrament**

Join the villagers and fellow pilgrims of Medjugorje in saying The Rosary, and await 6:40 PM, the arrival time of Our Lady to the visionaries. Immediately following the rosary, there is a Croatian Mass and healing prayer. Some evenings, we have the opportunity to adore the Blessed Sacrament with powerful music, praise, and worship. Priests are available for the Sacrament of Confession, daily in English. There is also a beautiful Adoration chapel for pilgrims' silent adoration.

## **Community of Cenacolo**

Visit the community of Cenacolo to hear testimony of Jesus's saving power for young men and women who suffered from addiction. Their inspirational words and testimony about the redeeming and restoring power of Jesus Christ will set your heart ablaze! Pilgrims can write prayer intentions that are lifted up by the Cenacolo community at a Mass, daily prayer, and an apparition.

## **Historical Expert**

Hear from Franjo Zubac, who was personally discipled by Our Lady in a youth prayer group that involved visionaries and Fr. Slavko. Franjo will share his beautiful spirituality and his personal and in-depth knowledge of Our Lady's call to prayer with the heart.

## **Visionary Apparition**

Pending availability, attend a live visionary apparition.
